May Name King

Dep. Chief Cole Retiring After 30 Years Service

Deputy Fire Chief Albert Cole, a veteran of almost 30 years on the Andover fire department is retiring, thus ending a long family line of service to the department.

Lieut Edward King, senior officer in that rank, will probably be named acting deputy chief by Town Manager J. Maynard Austin, until a civil service list for promotion is established.

Deputy Cole, currently on sick leave has been a member of the department since Dec. 31, 1945. His father Albert Cole, Sr., was a member of the department for many years and was the town's first permanent lieutenant.

Deputy Cole's brother, John T., retired a few years ago as a deputy chief of the department.

Cole completed a course of practical training in the Boston

Fire Department Drill school in 1946 and completed a course on fire laws, fire fighting, fire prevention and inspection at University of Massachusetts in 1947.

In 1948 he completed an advanced course in similar courses conducted by the New England Fire Officials Association.

He took the civil service examination for deputy chief in 1948 and headed the promotional list with a mark of 92.87. He was appointed deputy chief on July 1, 1949.

A veteran of World War II, he served three and one-half years with the 112th Cavalry Combat team overseas.

Cole served as a member of the board of public works under the old Andover form of government.

Schedule For Schools' Bicentennial Week

Bicentennial week will be observed in Andover schools next week, with special programs planned throughout the system. William E. Hart, principal of Andover West Junior High School, has been in charge of the planning for the special observance. A schedule of the major events of each of the schools is listed on Pages 8, 10 and 12 of this edition.

Tsongas To Present Bicentennial Flag On Memorial Day

Andover will become an official Bicentennial Town on Monday during ceremonies in front of the Town House.

Immediately following the Memorial Day parade and services, Bicentennial Flags will be presented to selectmen, town manager and school superintendent by

Congressman Paul Tsongas.

The town was officially designated a Bicentennial town following application by the Andover Bicentennial Committee. Mrs. Norma Gammon, commission chairman was notified last month that the town had of-

Our Elms Were Standing Before The Shot Was Fired

By Linda S. Corbett

If they could only talk, at least half a dozen elm trees in Andover could tell Revolutionary tales first hand.

The trees - three of them belong to the town and the others on private property - have been identified as at least 200 years old by a group of Andover residents who took an elm tree survey last weekend.

According to Mrs. Pat Edmonds, the trees exceed 13 feet in circumference, the magic measurement that says they've been around for at least two centuries.

The group will apply for plaques from the Elm Research Institute in Harrisville, N.H.,

which will designate the trees as "American Bicentennial Elms," and carry a plea that they be protected and preserved.

The oldest of the three town trees, located on Hidden Road opposite Number 157, is 15 feet, one inch in circumference, and therefore older than 200 years.

Mrs. Edmonds says that Tree Superintendent James Bamford has promised to clean around the tree, so it will be better visible from the street.

It is well over 100 feet tall, Mrs. Edmonds says, and has a "beautiful, lovely spread."

The second of the town -

New Owners Of Co-Op

The Barcelos Brothers, Carlos, John and Joe, examine some of the items on display at the Andover Co-Op, which they are scheduled to assume ownership of today. The three brothers, who have operated a food store in Lawrence, have been operating the produce section of the Co-Op the past few weeks in anticipation of completing all the legalities of taking over the Andover food shopping center.

Transfer Of Co-Op To The Barcelos Due Today

By Linda S. Corbett

The Main Street market known as "The Co-Op" for 10 these 40 years, will become "Barcelos Bros." one of these days.

The brothers Joe, John and Carlos, who have owned a store in Lawrence for the past seven years, were expected to sign the purchase and sale agreement today with the Andover Consumers Co-Op Inc.

They will then have 60 days to get all the legal matters in order, but expect the changeover will come much sooner than that.

While the name out front will be changed, the Barcelos are

planning to stay with the same system as much as possible, so old customers won't get lost.

They also have indicated their intention to keep all of the present Co-Op personnel, and to make the store "more alive" by redecorating.

They are studying other possible changes and one has already occurred in the produce department, where Carlos has

been working for the past two weeks.

Because Joe gets up at 4 a.m. and drives to Chelsea every day to get the produce straight from the market, they say they have already improved the quality and cut the prices, and they plan to display produce in bulk, not pre-packaged.

(Continued on Page 34)

Welcome News

The TOWNSMAN welcomes the news that the Barcelos Brothers will assume ownership of the Andover Co-Op.

The orderly transfer of the business from the shareholders to the three brothers, insures the continued operation of a major food outlet on Main street, the heart of Andover's business district.

Congratulations are also due the officers of the Andover Co-Op, who negotiated the continuance of the operation as a market outlet, and who kept the TOWNSMAN informed of the progress since initiation of formal talks, as reported here in mid-April.

Memorial Day Programs

Memorial Day programs, including services at cemeteries and the traditional parade and tribute are scheduled for Monday morning. Details are on Page 44.

Tops In French

Top scorers in the French National Contest from Andover, who received their awards at a "Distribution des Prix" in Concord this week are, from left, Claire Gilliatt, third place winner in Eastern Massachusetts; Patricia Foner, high school sophomore who placed first in Eastern Massachusetts in French III and placed in the top ten nationally and Carolyn Katz, who placed third in Eastern Mass. competition.

ACT To Participate In Drama Festival

Andover Community Theatre (A.C.T.) will present *Two Fools Who Gained a Measure of Wisdom* at the 22nd New England Theatre Conference Drama Festival on Saturday afternoon, May 24th at Spingold Theatre, Brandeis University, Waltham. A dress rehearsal of this one-act comedy based on a Chekhov short story will be held Thursday, May 22 at 8 p.m. at the West Elementary School Auditorium. The public is invited to attend this free performance.

The play is being directed by Rick Cannon who was recently seen in A.C.T.'s production of *The Little Foxes*. Members of the cast, all well known to Andover

theatre audiences, are Susan Lenoe, Elaine Ciampa, Ann Foley, Peter Jako and Michael Doran. Julie Pike will Stage Manage the production and the stage crew will include Paul Chadwick, George Doran, Bruce McCarthy and Elizabeth Zeoli.

Theatre enthusiasts will enjoy attending the four day N.E.C.T. Drama Festival, where community theatres from the Greater Boston area will compete with one-act comedies, dramas and musicals. The festival runs from Thursday, May 22 through Sunday, May 25, beginning at 1:30 in the afternoons and 7:30 in the evenings.

This year's host group for the festival is Garrett Players, Inc.

of Lawrence whose production of *End Game*, directed by Peg Ireland, won last year's competition. *End Game* has recently won the National Community Theatre Association's northeast regional competition, and Garrett will be taking the play to Oklahoma in June for national competition. Peg Ireland was A.C.T.'s guest director for their winter production of *The Little Foxes*.

This past weekend, A.C.T. presented a tremendously well received children's play *The Sorcerer's Apprentice*, directed by Elizabeth Zeoli, as the Big Show at Andover's Clown Town. Anyone who is interested in joining A.C.T. or who would like more information about the group, please call 475-8071.

Postal Service Pilot Program Initiated

The beginning of a pilot program aimed at expanding the level and quality of service for customers served by the Andover Post Office was announced today by Postmaster Louis F. Schwenke.

The consumer service program, which will begin in Andover on May 21, 1975, is a direct outgrowth of Postmaster General Benjamin F. Bailar's determination that service to the public will be friendly, courteous and efficient, as well as speedy and reliable, Postmaster Schwenke said.

"Good service is a far broader concept than just fast mail handling, as important as that is," he said. "It is also built on employee courtesy, our responsiveness to customer needs, the sympathy and understanding we bring to your own expectations of what good postal service is all about."

Get Certificates

Several local residents have been awarded an Evening School Certificate for completing a 24-week course at Wentworth Institute Evening School in Boston, according to an announcement by Dr. Edward T. Kirkpatrick.

They include: Buenos Young of Cutler Road, Andover; Robert C. Johnson of Ipswich Road, Eugene P. Willis of Waverly Road and Donald G. Deschene of Waverly Road, all of North Andover.

The pilot program is being conducted in Illinois, Massachusetts, Rhode Island and Arizona. It is expected to last about six weeks, and following evaluation, will be implemented nationwide.

Postal customers in Andover are urged to bring their inquiries and complaints to the attention of postal managers. If people feel their problems have not been properly handled, the Postmaster said, they should see him personally.

To make it easier for a customer to make a suggestion or complaint about postal service, a new Consumer Service Card will be available from letter carriers and at post offices.

According to Postmaster Schwenke the card is two postal cards with carbon paper between them. "One copy goes to me or a station superintendent so work can begin on the complaint," he said. "The other goes to Postal Service Headquarters in Washington for cataloging and analysis."

"The card which would take no more than two minutes to fill out, can be used to register a complaint of any kind or a compliment."

"We want you to come to us with your problems," concluded Postmaster Schwenke. "The whole point of this service program is to bring your problems and gripes out into the open where we'll attempt to resolve them."

Educational Issues

Thayer S. Warshaw and Dr. Kenneth R. Seifert, Andover superintendent of schools, await questions during Monday's panel on education conducted by the Greater Lawrence Area Committee on Education held at the Vocational school in West Andover.

Kenan Trust Grants \$300,000 To Academy

The William R. Kenan, Jr. Charitable Trust has made a grant of \$300,000 to Phillips Academy for its unrestricted Endowment Fund.

"The objective of the Kenan Trustees," the commitment letter of May 8 states, "is to provide support and encouragement to a fine preparatory school where modern academic programs, excellence in teaching and sincere interest in students offer well balanced education of quality and strength."

The grant is one of three identical gifts to independent residential schools of varying sizes:

relatively small Middlesex School, medium-sized St. Paul's School, and among large schools, Phillips Academy. These simultaneous gifts mark the first direct support of secondary education for the William R. Kenan, Jr. Charitable Trust, which has distinguished itself by enhancement of learning at the undergraduate college or university level since its creation in 1965 by the will of William R. Kenan, Jr.

The terms of the grant state that Andover's \$300,000 grant shall be added to the unrestricted Endowment Fund in such a way as to be always identified and known as the William R. Kenan, Jr. Fund, and that the headmaster of Phillips Academy, with the approval of the President of the Board of Trustees, shall have continuing authority to select and, from time to time, designate, the purpose for which the annual return from the Kenan Fund is to be used.

"Mr. Kenan's interest in academic excellence will be reflected in the uses to which we put this Fund," Phillips Academy Headmaster Theodore R. Sizer remarked. "We will focus these resources on ways to improve and strengthen the teaching program here at Andover."

William R. Kenan, Jr., born in 1872, was a native of North Carolina. Working in chemical research at the University of North Carolina, together with Professor Francis P. Venable he discovered calcium carbide, identified its formula and made known the fact that acetylene gas could be derived from it. Mr. Kenan was later a consulting and construction engineer, associated with Henry M. Flagler, a founder of the original Standard Oil Company, and was president and part owner of Flagler System Companies.

Named Trustees At Lowell

Two Andover residents and one from North Andover have been named to the Board of Trustees of the new University of Lowell.

Governor Michael S. Dukakis has named Mrs. Cornelia W. LeMaitre of 8 Sunset Rock Road and Beth Warren of Phillips Academy, Andover, along with Charles S. Warner, 58 Edgelawn Ave., North Andover, to the 17-member board responsible for overseeing the merger of the state college at Lowell and Lowell Technological Institute.

Among its initial principal functions the board will select the new university president.

Mrs. LeMaitre, a graduate of Newton College of the Sacred Heart, and Yale Graduate School of English, has served in a public relations capacity for the Channel Two Auction, and is a trustee of Memorial Hall Library, Andover. She also serves as a director of the Family Service Association of Greater Lawrence, a director of the Lawrence General Hospital Aid Association. She is the mother of five children attending Andover public schools and Pike school.

Beth Warren is a graduate of Wheaton College and is executive director of Roxbury Children's Services. She is a lecturer at the Boston College School of Social Work and a member of the National Association of Social Workers, Child Welfare League Executives and a director of the Big Sister organization. She has one child attending Doherty school.

Mr. Warner is manager,

education through his local support of the YMCA and of his church. At his death in 1965 his will created the William E. Kenan, Jr. Charitable Trust, endowed with \$95,000,000, with these words: "I have always believed firmly that a good education is the most cherished gift an individual can receive and it is my sincere hope that the provisions of the Article will result in a substantial benefit to mankind."

Punchard '25 Has Reunion

The Class of 1925, Punchard High School, Andover, marked its 50th anniversary with a dinner party at the Lanam Club Friday night. Flowers, table decorations and favors, all echoed the school colors of blue and gold.

Forty-four reunioners, including husbands and wives of class members, paid affectionate tribute to their mathematics teacher and class advisor, Mrs. Mervin E. Stevens of 1 Cabot Road, on the occasion of her 85th birthday. A graduate of the College of Liberal Arts at Boston University and a member of Phi Beta Kappa, she was a member of the Punchard faculty for many years.

The reunioners came from Chicago, Ill., Raleigh and Charlotte, North Carolina, as well as from many towns in New

England. Messages of congratulations and appreciation for Mrs. Stevens, coupled with greetings to classmates came from all parts of the country.

Planning the reunion were four Andover members of the class, Dorothy Hill Coombs, William A. Doherty, Dorothy Trott Partridge and William Simeone.

At the North selectmen's meeting last night, Chairman of Health, Dr. Julius Kay, stated that the Board of Health was very unhappy with the approval to pay a nurse for the elderly.

Kay stated that the board gave the town for a free clinic in Andover for the elderly. He stated that Mr. Murphy, a member of the board, was on the idea of the elderly to be on a voluntary basis. The cost the town.

Kay said, "The nurse does at the town. Any one could do the same and that to pay a year for this work to about \$40 an hour."

Kay continued, "The health wants nothing the actual selection of a nurse. This is the appointment. The board wants to state appoint a nurse for she will have no supervision under this will be in the medical field. The possibilities of suits where the town responsible. The health will not be in this situation."

Dr. Kay stated of health suggests selectmen meet Lawrence General Home Health Services. Physician Critical Of Nurse Plan

At the North Andover selectmen's meeting Monday night, Chairman of the Board of Health, Dr. Julius Kay, stated that the Board of Health was very unhappy with the town's approval to pay \$2,400 for a nurse for the elderly.

Kay stated that two years ago the board gave their approval for a free clinic in North Andover for the elderly. Kay stated that Mrs. Francis Murphy, a member of the committee on aging, presented to the board the idea of a clinic for the elderly to be staffed on a voluntary basis. It would not cost the town.

Kay said, "The work the nurse does at the clinic is innocuous. Any volunteer-aid could do the same type of work and that to pay a nurse \$2,400 a year for this work averages out to about \$40 an hour."

Kay continued, "The board of health wants nothing to do with the actual selection of the nurse. This is the selectmen's appointment. However, the board wants to state that if you appoint a nurse for the elderly she will have no professional supervision under this plan. This will be unique in the medical field. There could be possibilities of mal-practice suits where the town would be responsible. The board of health will not become involved in this situation."

Dr. Kay stated that the board of health suggested that the selectmen meet with the Lawrence General Hospital Home Health Service nurse, Mrs. Joan Arcand. She is a geriatrics nurse specialist. Kay stated, "Let her present the geriatrics program that is available through the home health service at a meeting with the selectmen. The board of health would be willing to supervise such a program." Representatives from the council on aging present at the selectmen's meeting stated that they had no objection to meeting with this nurse. A meeting will be arranged by Dr. Kay.

In talking later to Mrs. Francis Murphy she stated that the advantage of the present clinic's services to the elderly in North Andover is that it is free, where as with most established programs there is a charge that the elderly cannot afford to pay.

Mrs. Murphy stated that the North Andover Council on Aging clinic is well organized. It has been checked by the

Lawrence Home Care Association.

Mrs. Murphy said, "The clinic has expanded. The volunteer nurse's work has become more extensive. She not only works in the clinic, but she has been called by some elderly to visit them in their homes. She has also taken members to clinics, doctor's offices and hospitals for x-ray. The reason we put the article in the warrant was that we

wanted to be able to have a nurse for the elderly on call. If an elderly person needed help, a nurse would be available to them free of charge."

Mrs. Murphy said, "Mrs. Barnett, the volunteer nurse, is a well qualified nurse. She was the Medical Administrator for Raytheon Co. for 20 years."

Mrs. Murphy stated that if Mrs. Barnett was to be paid the \$2400, the time that she puts into the clinic and volunteer work serving the elderly certainly would not equal an hourly wage of \$40 an hour.

Mrs. Murphy stated that Mrs. Barnett has always had liability insurance while working in the clinic. Mrs. Murphy said, "It

was too bad Dr. Kay refused to discuss the situation with us at the meeting."

Members from the council on aging present at the meeting

were Chairman George Ever-
son, Program Chairman Mrs.
Francis Murphy, Mrs. Harriet
Friis, Mrs. Olga Barnett and
Mrs. Arlene Grenier.

Restaurant Aware Of Problem

The selectmen were notified by Charles Doe, owner of the 99 North Restaurant that measures are presently being taken to remedy the complaints of Dominick Messina, abutters of the restaurant property, concerning parking.

The selectmen agreed to enter into a contract in July with Camp, Dresser and McKee, Inc. for engineering services regarding the Holt Road Sanitary Landfill area. Highway Surveyor William Cyr stated this is a minimum requirement for borings to determine if the problems at the site are just a build up of ground water or are they being caused by underground springs.

Mark Longo and Richard Burnett received permission from the selectmen to dig for old bottles at Commonwealth Avenue, town property.

Shells On Exhibit

An exhibit of shells from around the world has been loaned to the Stevens Library for the month of May by Mrs. Kathryn Schubert of Methuen. Mrs. Schubert is president of the North Shore Shell Club and is an enthusiastic collector. Shells from Japan, India, California, The Philippines, and other areas are on exhibit. All reveal an amazing beauty of form, design and color.

There are two exhibits of shells - one in the adult area of the library, and one in the children's exhibit case.

Crafts Exhibit Awards

The Andover-North Andover YMCA was the scene of an Art and Handcrafts Exhibit, May 14-18, which featured the creative work of YMCA members. A good quality and quantity of articles were on display and it is now expected that the event will be scheduled annually. Members and guests enjoyed examination of the displayed articles and shared in voting to determine the outstanding works to be recognized in the awards presentation. The committee in charge was chaired by Shirley McDowell and included Margaret Howard, Ethel Olsen, Nancy Muldoon and YMCA Program Director Elaine Kent.

Award winners in several classifications included: Preschool - 1st Lisa Sanchez, 2nd Laura Bicknell, 3rd Colleen Odum; Youth - 1st Laurie Seeley, 2nd Jane Caldwell, 3rd Mary Adams; Best done with a needle or hook - 1st Nancy Con-

don, 2nd Frances Avella, 3rd Beth Shagoury; Best Misc. Craft - 1st Herta Sutton, 2nd Betty Pease, 3rd Lola Monks; Best Painting - 1st Joanne Sattley, 2nd Barbara Fay, 3rd Jean Pelz; Most Ambitious Project - 1st Gail Seeley, 2nd Marie Donovan, 3rd Mary Bromley.

ABOUT THIS QUESTION

"The many small claims are the biggest expense to insurance companies. If a homeowner accepts a \$50, \$100, \$250 or \$500 deductible on his Homeowner Policy, does the premium drop significantly?"

Cautious optimism describes the view of Andover officials as they await the results of bids for the West Andover sewer line to service new industrial area.

With bids due in to H. Packard for the proposed plant due April 30, project have also been called for sewer line construction, submitted by June 6.

What has caused so much optimism is the fact that in less than week since the call for bids was issued, 13 contractors picked up plans and began pencil sharpening process.

Engineering estimates construction cost have been at \$2.2 million by the construction firm of Camp, Dresser & McKee. This would place total cost above the \$2.5 million available when engineering other costs are included.

The \$2.5 million was appropriated at the 1973 Andover annual town meeting. Conditions since that time have placed the funds available in doubt.

As reported in last TOWNSMAN, H-P is planning an initial building to cost in vicinity of \$10 million. Action for a building permit for medical electronics firm result in the town proceeding with the sewer line construction.

The sewer connection along the Merrimack starting at the junction of and Everett street continuing with the Lawrence trunk line.

Over two and one-half of 36-inch to 48-inch diameter pipe will be furnished and installed by the contractor.

Work will also include metering station, manholes, special manhole structures related work and purtenances.

Contractors have also been asked to bid on alternate construction of a

THE TOWNSMAN, MAY 22, 1975

Cautious optimism best describes the view of Andover officials as they await the filing of bids for the West Andover trunk sewer line to service the new industrial area.

With bids due in to Hewlett-Packard for the proposed new plant due April 30, proposals have also been called for the sewer line construction, to be submitted by June 6.

What has caused some optimism is the fact that in less than week since the call for bids was issued, 13 contractors have picked up plans and begun the pencil sharpening process.

Engineering estimates of the construction cost have been set at \$2.2 million by the consulting firm of Camp, Dresser and McKee. This would place the total cost above the \$2.5 million available when engineering and other costs are included.

The \$2.5 million was appropriated at the 1973 Andover annual town meeting. Cost increases since that time have placed the funds available in doubt.

As reported in last week's TOWNSMAN, H-P is planning an initial building to cost in the vicinity of \$10 million. Application for a building permit by the medical electronics firm, will result in the town proceeding with the sewer line construction.

The sewer connection will run along the Merrimack River starting at the junction of Rowe and Everett street connection with the Lawrence trunk sewer line.

Over two and one-half miles of 36-inch to 48-inch diameter pipe will be furnished and installed by the contractor.

Work will also include a metering station, manholes, special manhole structure and related work and appurtenances.

Contractors have also been asked to bid on alternates, to include construction of an eight-

foot rock tunnel, approximately 1,355 feet long and replacing close to 3,000 feet of 48-inch pipe with a 54-inch pipe.

The alternate bids is to accommodate correction of a

problem for the city of Lawrence which must eliminate dumping backwash water from its filtration plant into the Merrimack. This is currently under negotiation

between Andover and Lawrence officials. The city is expected to bring a pipe across the river from the filtration plant and empty into the new West Andover trunkline.

That there are many contractors eyeing the project through obtaining of plans, is felt to be a good omen and opening the possibility that costs may be less than anticipated.

Miner Is Awarded Scholarship

Daniel Miner whose parents are Mr. and Mrs. Joshua L. Miner of 42 School St. Andover has been awarded a Swarthmore Music scholarship at Swarthmore College, Swarthmore, Pa. The scholarships are awarded by the Department of Music to students who show unusual promise as instrumentalists or vocalists. This year all 45 students who wished private instruction, received some subsidy.

Mr. Miner is taking guitar lessons from Mr. J. Maiz.

The Massachusetts Bicentennial Commission has established a toll-free telephone number, 1-800-242-0980, to serve anyone seeking bicentennial - related information.

To Reenact Colonial Life At Shawsheen

Blacksmiths, hatters, weavers, cabinet makers -- they will all be there on May 28 at the Andover West Elementary School Bicentennial Day celebration. A reenactment of colonial life in America will be the theme of the day, with students and teachers in costumes of the century.

The kindergarten children are busy learning songs, poems and games of the period along with the first and second graders who will experience the school life and chores of a young American child in 1775.

The third and fourth graders are turning their Pod area into a colonial town complete with a printing shop, chandlery and silversmith shop.

The fifth grade students are learning the art of quilting and will complete a heritage quilt for display. Each child has researched a famous American and will represent that personage in costumes and speech. A reenactment of the Boston Massacre promises to be an exciting part of the festivities.

A sixth grade presentation "Hats Off to America" with patriotic songs, speeches and dances will be performed in the auditorium for the entire school population.

Parents and visitors are welcome to come to the Open House Bicentennial Day and to experience with the students and faculty a day in Colonial America.

Band Parents Group To Conduct Workshops

The Andover Band and Choral Parents Association is sponsoring the following summer workshops for interested students in the Andover public schools.

Band Workshop: June 30 to July 24, grades 7-12, fee: \$10, will meet Tuesday, Wednesday and Thursday mornings from 9 a.m. to 12 noon in the band room at the high school. A "bonus" week will be added if possible. This program will consist of extensive work on marching and music. The rehearsals will be sectional and combined. It gives a great opportunity to those coming into the high school band to understand how to play and march at the same time and will be working on extending the technical ability of the students. They will all feel relaxed when football

season arrives because some of the shows will have been completed. They will be able to perform with greater confidence. This workshop will be conducted by Alfio Graceffa.

Elementary Theatre Arts: from June 30 to July 31, with a performance on the evening of Aug. 1. Grades 4-6, fee: \$20. Students will meet Wednesday, Thursday and Friday mornings from 9 a.m. to 12 noon in the West Jr. High School Auditorium to prepare a presentation for the public of scenes from "Oklahoma."

Secondary Schools Theatre Arts: June 30 to July 31, with a performance on the evening of Aug. 1. Grades 7-9, fee: \$15. These students will meet Monday and Tuesday mornings from 9 a.m. to 12 noon, in the West Jr.

High School Auditorium to prepare a presentation for the public of scenes from "Bye-Bye Birdie." Both the Elementary Theatre Arts and the Secondary Schools Theatre Arts Workshops will be conducted by Keith Gould.

It is hoped to interest students with talent in all areas of theatre production, including lead actors and singers, chorus, as well as artists for set design, and dancers. Students who have a talent in these areas should have an opportunity to be exposed to a theatrical experience. Since a number of students have expressed an interest in such a program, it should provide a very enjoyable and worthwhile summer activity.

Applications may be obtained

from the Music Department at the high school, or by calling the Music Dept.

Although modern historians know little about the culture of central Florida's first human inhabitants, they are reasonably sure that these people made their livelihood almost entirely by fishing.

Knights Lose Two In Three Game Week

By Bill [unclear]

The Scarlet Knight nine dropped decisions to Lynnfield and Pentucket respectively, by scores of 3-1 and 6-5, after defeating Rockport last Wednesday 7-1 in a tough week that put N.A. under the .500 mark.

Down Rockport 7-1

North Andover got superb pitching from Rich Connor and Wayne Alexander in romping on the Rockport Vikings 7-1 at the latter's field last Wednesday afternoon.

Connor, in his first start of the year, gave up just two hits in the four innings he pitched. He struck out two, and walked only one batter before giving way to Wayne Alexander, who finished the last three innings.

The Knights got four runs in the third to take the game. John Licciardi started things with a walk, and Steve Juba then singled, taking second on the throw to third. Connor helped his own cause by singling them both home. He moved to second after a wild pickoff attempt and scored on Greg Edward's base hit. Edwards stole second and Mike

DeParis sent him home with a single. This was the fourth run of the inning and enough punch for the game.

North Andover scored one more run in the fourth and two in the seventh to wrap things up for their sixth win of the season.

Alexander lost the shut-out in the last inning when the Knights committed three errors and the Vikings finally got on the board.

Brian Smith had three hits in five at bats for the day, raising his average to .341.

With the win, the Knights are now at the .500 mark for the year with a 6-6 mark.

Lose To Lynnfield

All the runs were scored in the second inning, as the Knights lost a tough 3-1 decision to Lynnfield at the N.A. field last Thursday.

Bill Flaherty was the winner for the Pioneers, giving up just five hits, striking out ten, and walking six. Brian Smith was the loser, now 3-2 for the season giving up 10 hits, striking out ten, and walking just three.

All the Lynnfield runs were scored in the second. Dave Hoercher led off with a walk and went to second on a sacrifice. He scored on Dave Pawlowski's single as he went to second on the throw. Frank Guarino then hit him home with the second run. After stealing second base, Steve Cepta scored him with the third and final run.

The Knights got their only run that same inning. Bob Redman led off with a walk and stole second base. Dan Noone hit a single that scored Redman for the only scoring that took place in the game.

Guarino, Cepta and Mark O'Hearn got two hits apiece for Lynnfield, while Dan Noone went two for two for North Andover.

With the loss, the Knights dropped under the .500 mark at 6-7.

The winning pitcher was Mike Clark, who gave up eight hits, striking out six, and walking just six. Mike Heafey was the loser, giving up six hits, striking out seven, and giving up just four walks.

North Andover scored two in the first on a run producing single by Rich Connor and a throwing error. In the second inning, Greg Edwards and Mike DeParis walked and went to second and third on a wild pitch and stolen base. They scored on Steve Juba's clutch hit.

In the big sixth for Pentucket, Jim Lavalley started things off with a single, but Heafey fumbled two consecutive bunts back to the mound to load the bases. The next two hitters struck out, but Mike Brown came through with a single up the middle for two runs and the game.

Juba, Connor and Edwards each had two hits for N.A., while Tim Lavalley was the only one to have two hits for Pentucket.

The Knights dropped their record to 6-8 with the loss. Pentucket went over the .500 mark at 7-6 with the clutch win.

Sox Win Second Straight

The American League defending champion Red Sox won their second straight game Monday with a thrilling come-from-behind 5-4 victory over the Tigers.

For the second straight game the Red Sox hero was Rookie Tim Morris who blasted a two run triple in the last half of the final sixth inning.

Don Bliss the Red Sox winning pitcher, gave up only two hits and struck out 5 batters but walked 12 that led to the Tigers early lead. This was Bliss's very first pitching debut. He walked 5

batters in the first inning leading to the Tigers 2-0 lead and did not give up a hit until the fourth inning which led to the Tigers 3-0 lead after four innings of play.

The Red Sox then came alive and with 2 outs in the last half of the fourth inning, shortstop Eddie Powers drilled the first home run of his career and first homer in the Little League majors this season over the left field fence. Ted Kelley then walked and stole second base. Up stepped 9-year-old Tom Powers in his first time at bat in the majors and smashed a double to left center field scor-

ing Ted Kelley from second base and the Sox were down 3-2 after 4 innings.

The Tigers scored their final run in the fifth inning as Steve Stabile was walked in on a bases-loaded base on balls.

The Tigers led 4-2 going into the last half of the final sixth inning, but the meyer say die Red Sox came through as Don Bliss led the inning off with a single to right field and was moved along by Ed Powers second hit of the day a line drive double to left field that moved both runners to second and third. Ted Kelley walked to load the bases and first baseman Mark Rogers rifled a single to left field scoring Bliss. Then with the bases loaded and one out, Red Sox Rookie, 11-year-old Tim Morris proceeded to smash his second game-winning hit in as many games, a triple to right center field scoring the tying and winning runs.

Tom Wilkins also had a single for the Sox in the fifth inning.

Warrior JV Club In Tie For Top

The Andover JV baseball team has found itself in a first place tie with Chelmsford after having won its fifth straight just prior to presstime. The young Warriors find themselves sporting a very fine 11-3 slate with four games to play.

The first win in this lengthy streak began in Billerica as the Warriors prevailed by a 7-0 score over the Indians. Andover was led by hitting of Jay Doherty with two hits and by David Packard's two run double. The winning pitcher for Andover was Mark Lalonde who was winning his fourth straight.

Andover's second straight win was garnered at the hands of the young Lancers from Lawrence by a 9-0 score. Again, it was Mark Lalonde who, after a five

day rest due to rain, came through with his second straight three hit shutout. Lalonde has also fanned 22 batters in the last 14 innings.

The Warriors were led at the plate by the bats of Scott Collins, Tom Romano, and Mark Lalonde with two hits apiece.

In winning their third straight game, the Warriors defeated Methuen by a 13-7 score. The winning pitcher was Dan Billings, down from the varsity in an struck out 6 and allowed only two hits.

The Warriors bats were led by Mitch Rousseau's double and triple and four RBIs. Jay Doherty also stood out with a single, two runs scored, two bases on balls and a pair of stolen bases.

The fourth straight win was at the hands of Austin Prep as the Warriors prevailed by a tally of 6-2 behind the five hit pitching of Bob Jenkins. It was Jenkins third win in four starts.

Game number five in succession was at the hands of Chelmsford 4-2. Again, the young Andoverites waited before exploding to win number six for Mark Lalonde who only surrendered two hits while walking two and striking out three.

Andover's attack was led by Jay Doherty's two hits and Danny Hayes two hits. The winning run was driven in by Dave Packard's single in the sixth inning.

Skinder Leading Pitcher

Former Andover High athlete Gerry Skinder, a freshman at Colby College, has completed a successful season as leading pitcher on the junior varsity baseball team.

Skinder finished with a 2-2 record for the Baby Mules who compiled a 7-5 log this year. Both of his defeats came at the hands of a tough University of Maine at Orono squad.

The 6-2, 215-pounder recorded 31 strikeouts in 30 innings, including 14 in a seven-inning victory over Bridgton (Maine) Academy.

An English major and member of the varsity football team, Skinder is the son of Mr. and Mrs. Ralph G. Skinder of 189 High Plain Road.

The Employees' Compensation Appeals Board considers and decides appeals from final decisions on cases arising from the Federal Employees' Compensation Act.

Undefeated Golfer - Pete Lucier of Andover, has been one of the reasons the New England College golf team this spring chalked up the best season in the 29-year history of the school. Lucier, a sophomore at the small liberal arts college in Henniker, N. H., compiled a 15-0 personal record, while the team finished with a 14-1 mark. He is a 1973 graduate of Andover High School and the son of Mr. and Mrs. Russell J. Lucier.

Warrior Varsity On Hot Streak

The Andover Golden Warriors have closed the gap in the Merrimack Valley Conference baseball league by winning its last four in a row. They now find themselves in the unaccustomed spot of being in second place by themselves only a game off the top.

Andover began its streak to the top by beating Lawrence at the stadium by a 4-2 score behind Glenn Verrette's pitching and the hitting of Steve Fabiani (a homerun) and red hot bat of catcher Paul McIntyre.

It was a great play in the bottom of the seventh that saved the day. A line drive to centerfielder Bill Alexander who threw home to cutoff man Jeff Winters whose relay to McIntyre resulted in a blind tag getting the runner. Verrette then fanned the final batter to wrap it up.

The second win in a row came at the hands of Methuen as Andover wrapped it up with eight in the second en route to an 8-3 victory for Bob Hannon.

Game number three came at home on Saturday, "Parents

Day" by a 5-2 score to back up Mike DiTroia and Bob Hannon.

A game at Chelmsford resulted in a 5-3 victory for Glenn Verrette who ended the game with a big strikeout while the tying runs were on second and third.

Paul McIntyre and Steve Fabiani continue to swing hot bats as Fabiani has climbed up over the .360 mark, while McIntyre, the terror of the league, is hitting a lusty 583 to lead the league. He contributed three rockets in four trips.

Babe Ruth Club Tops So. Lawrence

Last Sunday in an abbreviated game at the Stadium, the Andover Babe Ruth baseball team defeated South Lawrence East by a score of 4-1. Tom Coffey was the winning pitcher with 4 strike outs to his credit. After two innings, Danny Hayes relieved Coffey and threw for 3 strike outs.

In the first inning, Andover picked up two runs. The first came when Farrell, who walked

and advanced to third on two passed balls, was sacrificed in by Coffey's long fly ball. The second was scored when Serley drove in Hayes from second with a sharp line single up the middle.

In the second inning, Andover again scored twice with Grams on base with a single, coming home on an infield out and Henderson stealing home after the catcher made a bad throw back to the pitcher. That ended the scoring for Andover but that

was all they needed to win in this 4-inning masterpiece by Coffey and Hayes.

Lawrence's only run came in the 3rd when an error in the infield loaded the bases and a walk forced the run in.

Andover's pre-season record is now 2-0 and will be put into jeopardy next week when Andover faces Methuen on Saturday, May 24, and South Lawrence West on Sunday, May 25, both at the Playstead.

Little League Dance May 30

The annual Andover Little League dance will be held Friday, May 30 from 9 p.m. to 1 a.m. with music provided by "The Mixed Bag," at the Andover

Y Seeks Tennis Courts

The Andover-North Andover YMCA is presently recruiting private backyard tennis courts for a proposed tennis program to be conducted by the YMCA this summer. Court owners are being asked to loan a court for one morning or afternoon or evening per week for eight weeks so that YMCA programs of instruction and informal tennis may be conducted in the various neighborhoods of the two towns. Early response of court owners has been encouraging. A related recruitment of instructors and supervisors for the program is necessary. Owners of courts or interested prospective leaders are requested to contact YMCA Program Director, Elaine Kent at the Y.

Requests for the private court tennis program grew out of the very successful private backyard swimming pool program which the YMCA has conducted since 1968. The pool program served 908 enrollees in the summer of last year, in 31 pools in various parts of the two towns. Announcement concerning tennis class registrations will be made early in June.

Leahy Aids Winning Effort

Andover graduate Bob Leahy pulled the seventh oar for the Harvard varsity lightweight crew in its championship performance at the 30th Annual EARC Sprints on May 11.

The 3-1 Crimson lights posted a winning time of 6:00.8 on the 2000 meter Lake Carnegie course in Princeton, New Jersey, one-half second better than that of a pressing Navy squad who had earlier handed the crimson its lone setback of the regular season. Harvard retained the Sprint Championship for the second consecutive year.

Leahy, the son of Garret Leahy of 146 Argilla Road, is a senior concentrator in English at Harvard.

Please do remember to pick up your tickets for the annual Chicken Bar-B-Q to be held at the Voke School June 18. The tickets are fifty cents and the bus will leave The Haven at 10:30. This annual event is always delicious and fun, too.

Ecology Program At College

Come to Merrimack College for Summer '75 to study Ecology and see New England - all within a four-week period.

Summer '75 at Merrimack College is introducing a four-week field-based course entitled Introduction to New England Ecosystems for students and area residents interested in Ecology from Monday, June 9 to Thursday, July 3, it was recently announced by Continuing Education Dean, Dr. Richard A. Kaplowitz of Andover.

The six-credit field-based course, which runs all day for four weeks, will stress the principles and concepts of ecology through a survey framework of the main environments of New England. A comprehensive qualitative and quantitative study of selected ecosystems, the course will include field trips to forests, lakes, and the seashore throughout New England. The alpine and forest field work will involve a five-day camping trip in the White Mountains of New Hampshire.

Introduction to New England Ecosystems will concentrate on

the study of the deciduous forest in the first week following an initial study of basic ecological principles and concepts. The study of the boreal forest and alpine ecosystems will be featured during the second week followed by lake ecosystems and fresh-water ecology during the

third week and the seashore environment during the final week.

This course, which will be limited to twenty students, will be conducted jointly by Merrimack College Biology Professors, Dr. Aubrey S. Thomas, Jr. of Andover and Dr. Charles W. Kellogg of Methuen.

Horse Show At Medfield

Throughout New England riders of all ages are preparing to participate in the upcoming 81st Annual Norfolk Hunt Horse Show. The Show, which will take place on Saturday May 24, is a Memorial Day Weekend tradition for spectators as well as participants from this area.

Starting at 8:30 a.m. and run-

ning throughout the day, the Show will feature over 60 classes for a wide variety of riders. Spectators will enjoy seeing the Short Stirrup and Pony Divisions for the younger riders, as well as the many adult classes. Classes will be running simultaneously in four show rings, making a wide viewing choice possible.

To Participate In Adelynrood Program

Four Andover residents are participating in programs being offered this summer at Adelynrood, a retreat - conference center in Byfield.

Mrs. Dorothy Guild, who moved to West Yarmouth two years ago after living in Andover all her life, is program coordinator for the center.

The Rev. J. Edison Pike and Ms. Barbara Platt, rector and director of Christian Education at Christ Church, will lead a course in Transactional Analysis June 9 to 13. A few spots are still available in the week-long program.

Mrs. Waters Kellogg and Mrs. Edwin Bramley, also of Andover, will be "resource persons" for a five-day "Appreciation of God's World" at Adelynrood August 18-22.

Mr. Pike and Ms. Platt have often worked together in leading growth groups, both within the Christ Church parish and with other groups. Ms. Platt is also a member of the advisory committee on educational resources for the Diocese of Massachusetts.

Mrs. Kellogg, a member of the Andover Conservation Committee and the Andover Village Improvement Society, and archivist at Phillips Academy, will lecture and show slides on birds, and lead a field trip to the Plum Island Refuge of Fish and Wild Life. She is also president of the New England Wild Life Society, honorary director of the Massachusetts Audubon Society, and former curator of birds at the New England Museum of Natural History in Boston.

Mrs. Bramley, a director and past president of the Andover Garden Club, will lecture on the Joys of Gardening, and a field trip will include Fuller Memorial Gardens in Rye, N.H. The week will end with a day in Newburyport.

Mrs. Bramley is also past president of the Massachusetts State Federation of Garden Clubs, a past director of the New England Region of National Council of State Garden Clubs, and a member of the Horticulture Society of Massachusetts.

Since 1914, the Society of the Companions of the Holy Cross has offered retreats and conferences, open to all. This year other groups are being encouraged to use the fully-equipped conference center for their own conferences, workshops, seminars or picnics.

More information is available care of Mrs. Guild, Adelynrood, Byfield, Mass. 01922.

Annual Parish Picnic For St. Augustine's

St. Augustine's parish will usher in the summer with a picnic at Recreation Park from 11 a.m. to 7 p.m. on Sunday, May 25. The co-chairmen, Mrs. Anne Nee and Mrs. Mary McGettrick, invite all the members of the parish to join together for a festive Sunday in the park. The co-chairmen have arranged transportation for Senior Citizens via St. Augustine's school yard between 10:30 and 11 a.m.

Guests are asked to bring their own picnic lunch or those who wish to bar-b-que will have charcoal fires available. Families who bring small children are urged

to keep in mind that parents are responsible for their own children. Parents should not leave their children at the picnic without their personal supervision.

Mrs. McGettrick and Mrs. Nee have planned a gala fun-filled program of games for the entire family, foot races, popcorn for all, pony rides, plus the 1000 club drawing at 11:30 a.m.

Those attending the picnic will be able to attend the Sunday Mass at 4 p.m. Rev. Edward G. Robinson, O.S.A., Pastor of St. Augustine's, Andover, will celebrate Mass in the natural park setting. This unique altar

will be remembered by the young and old members of the parish. Guests are urged to notice the if May 25 should be a rainy day, the rain date will be Sunday, June 1.

Reliving The Good Old Days

Susan Lilly and Tanya Paul, members of Andover Girl Scout Troop 17, participate in some good old-fashioned methods of preparing dye during Sunday afternoon program at the Green in North Andover. The program was part of an afternoon demonstration conducted by the Merrimack Valley Textile Museum.

Y.M.C.A. Program Highlights

With its Summer Term just five weeks away, the Andover-North Andover YMCA, while continuing the extensive program which has served its members since the opening of the new building last fall, has scheduled a variety of special events for Full Privilege members. The next in a series of these popular events, the last of which attracted 178 participants, will feature a cook-out, outdoor informal recreational activities and a recreational swim. Another Family Night will be conducted on June 13.

Two sleep-ins are scheduled, one for boys and girls in grades 3-6 on May 16 and the other for grades 7-9 on May 30. Prior registration is required for these events and for most others listed. All inquiries should be addressed to the YMCA.

A women's singles tennis tournament is due to begin this week with matches being played at Brooks School courts. A three-man volleyball teams' tournament will get under way on May 28. On June 9th a men's basket-

ball "21" contest is scheduled in the new YMCA gym.

Popularized by television "Superstar" contests will be taking place. A girls' competition involving grades 1 & 2, 3 & 4, 5 & 6 will be scheduled as a regular Saturday morning program on June 7 featuring bread jump, target throw, obstacle course, etc. A similar contest for boys will take place on June 14, and will include various gym events and track events featuring a half-mile cross country race.

A Youth Members' Novice Spring Term Swim meet with trials and finals for boys and girls in ten age-sex divisions will be conducted in the period June 10-12. The Spring Term Youth Members' Gymnastics Meets will be conducted on June 18 for boys and June 19 for girls. A track meet for girls in four age divisions will be conducted on June 21. A mini-marathon for all age groups, particularly adults,

over a six-mile distance will feature participation of joggers and will take place on June 22.

Men and women and high school boys and girls have been invited to participate in an introduction to Water Polo to take place on May 16. The new equipment has arrived and a Water Polo program will be developed as soon as interest is evidenced. A craft display is on exhibit this week at the new YMCA building featuring handwork produced in the various classes conducted at the YMCA to date or by YMCA members in other situations. The display is open to the public.

A movie special is scheduled for Saturday afternoon, May 31 featuring Disney cartoons and Melody Time movies. A Chess tourney for boys and girls in grades 4-6 will take place on May 24.

South School Fun Fair Planned For June 7

Plans are well underway for the annual Fun Fair at South School to be held on Saturday, June 7, from 10 to 3.

Funds from this event are used to purchase needed equipment for the school. Money realized from last year's Fair has been spent for playground equipment.

Co-chairmen of the Fair are Mr. and Mrs. William Boucher. Giving them support are a large group of committee chairmen including Mark and Jackie Kovacs, pancake breakfast; Audrey Marino, games; Amy Lawson, bake sale and cake decorating; Cynthia Padva and Gloria Roberts, white elephant table; Eileen Novelline, snacks; Dave Starkweather, PA system and electrical set-up; Linda Natoli, scrap craft collages; Chris Garravarian, solicitor; Charlotte Taylor, errands; Jean Goldman, art teacher, and students, posters.

A feature of this year's Fun Fair will be a Scrap Craft table which will be set up to display craft items which can be made from throw-away materials. It will be of special interest to Scout Leaders, Den Mothers, Camp Fire Leaders and all adults seeking ideas for interesting and inexpensive crafts. All persons having scrap craft ideas are invited to display them at this table and to come to Fair Day to pick up new ideas. There will be no admission charge to the Fair. For further information call Marni Boucher, 47 Spring Grove Road.

In addition to the free craft table, there will be inexpensive items for sale. Working on the

craft committee are Mary Lou Raffaele, Amy Lawson, Sue Phieffer, Jane Drass, Nancy Flaherty, Maureen Larrabee, Eileen Novelline, Cynthia Padva, Gloria Roberts, Susan Garravarian, Linda Natoli.

Also planned for Fun Fair are pony rides, afternoon field events, musical concerts, a raffle, sno-cones, cotton candy, hot dogs, movies and many exciting games.

In preparation for the annual June book sale, the Friends of the Library are requesting donations of books. There will be a box in the lobby of the library and

donations will be appreciated.

Children's Room News

By Jan Johnson

Parents: Registration for our pre-school storyhour, Littlest Listeners begins May 27, at 9. This year we are planning two sessions of 8 visits each with an option for people in the first session to re-register for the second, assuming they still qualify. As usual we will have 4 groups of 20 children which will meet on alternate weeks, Tuesday or Wednesday mornings (your choice) from 10 - 10:45. The first session will begin the first week of October and will run through the end of January. Children will be eligible if they are residents of Andover, and 3½ by the beginning of the session (3 by April 1 for the first session) but not over 5 years old, and if they do not attend Nursery School or Kindergarten. These groups fill up fast so plan to register early.

Color a Jungle. The Children's Room needs some help. We're trying to make a colorful wall hanging for the stairway that leads down to the Children's Room. We'd like everyone in grades 1-6 (no younger please) who likes to color, to come to the Children's Room Saturday, May 24 at 2:30 (Stay as long as you like.) If we all work hard, it will be great fun, and no doubt it will be beautiful. Join us and bring a friend.

Lecturer in Recreation Management at UMM. The new program is designed to prepare students for entry level positions in the burgeoning field of recreation and leisure time activities.

Students To Visit Reservation

Bancroft School fifth and sixth loft students will participate in an outdoor education program at the Elbanobscot Reservation in Sudbury. The trip will span three days and two nights, May 28-30.

The students will participate in activities that will lead them to a better understanding of pond, river and marsh life. They will, among other activities, learn about the glacial effects on the terrain of the area.

The entire program will be organized and instructed by the Bancroft school staff.

Students will be accompanied by Bancroft staff members Charles Friel, William Spencer, Mrs. Janis Baron, Mrs. Maryann Baiakian and Mrs. Laurie Cantor.

Sheehy In Special Project

Jeffrey D. Sheehy of Andover, took several tours to points of interest throughout New England as part of a unique educational experience at Tilton School.

Sheehy, a Tilton senior and son of Mr. and Mrs. Augustine P. Sheehy of 241 Lowell St., took the tours as part of Tilton's Projects Periods, ten days in March, when all sports and classes are cancelled and students concentrate on a unique educational experience -- anything from staging a Pulitzer Prize-winning comedy to learning about 15th century English culture.

Projects this year included tours of Washington, D.C., New England or Mexico, the building of furniture, boats, snowshoes, muzzle-loading weapons or architectural models, as well as photography, stone carving, hang

gliding and bridge.

Tilton is nationally known for its Plus/5 Program, which requires students to complement their classroom education by participating in five activities: inter-scholastic sports, outdoor experiences, leadership roles, creative arts and community service.

Tilton seeks to prepare its students for college with its Inter-College Year: a unique program where seniors are given most of the responsibilities and freedoms of college freshmen.

Located in the southern foothills of the White Mountains, Tilton limits its enrollment to 180 students in order to preserve small classes and an intimate, small-town campus setting.

Selectmen Relent, Agree To Join In 208 Planning

Andover, tagged as the key community in 208 planning by the state, has reconsidered its position and agreed to join with the Merrimack Valley Regional Planning Commission in applying for the funds.

The selectmen agreed to join with other communities in the planning district after a Monday night conference with regional commission officials, and a change in the resolution designating MVPC as the planning agency.

How Andover came to the key community is not known. Other communities in the region have refused to join in the application, but Andover, James Gaines, MVPC chairman had been singled out as the "focal

point in regional planning on 208 funding."

The 208 planning is in connection with the study and cleanup of the Merrimack River.

Gaines and the selectmen discussed at considerable length Andover's objections to the original draft of a resolution which would have placed Andover in the planning region, if it had been approved last fall.

Also discussed were differences between the commission and Andover's outlook on regional planning and assistance to participating communities.

Selectman Alan F. French said he was disturbed that the state had taken the position it had in making Andover the key

town in the vote.

"Having voted, or rather abstained from joining, and now being subjected to being the controlling vote, I think is unfair."

The representatives of the regional commission then presented a draft of a resolution which had been approved by some member communities, notably Newburyport and Groveland.

The proposal, which does not make implementation of the plan binding on a community, was completely new to the Andover board. An attempt to find out a date at which such a resolution had been drafted and

approved, failed to come to any conclusive date.

The selectmen were, however, more amenable to the new resolution, which now allows only for planning funds and active community participation in the planning process.

Deletion of any commitment to implementation of the plan after they are completed, also was a guiding factor.

Later in the meeting the selectmen agreed to join the district in 208 planning which will thus designate the MCPC as the authority to receive some \$475,000 in planning funds.

The planning process will

allow the commission to be the planning authority for river cleanup from Lowell to the sea.

property trees is on Lowell Street, at the corner of Lovejoy Road, and measures 13 feet, two inches around. That tree, Mrs. Edmonds says, is somewhat scarred but "gorgeous from a distance," and according to Bamford, it is healthy enough. Some of the suckers will be trimmed off to make it more attractive close-up, however.

Opposite 114 Bailey Road is the third town tree, measuring 13 feet, one inch around.

In addition, Mrs. Edmonds says, there are "lots" of potential Bicentennial elms on private property. One of those, "handsome" and perhaps the oldest tree in town, stands by the library at Phillips Academy and measures 16 feet around.

Another oldie on Laurel Lane, on what she things is Arkwright - Boston land, totals 14½-feet around, and is almost, Mrs. Edmonds says, "too big to measure."

Private citizens who would like to measure their own trees should take the reading at four and a half feet above the ground, she says. If the circumference exceeds 13 feet, they may write for Bicentennial plaques themselves.

The Andover Garden Club has sponsored the elm project, assisted by the Trails Committee of the Conservation Commission, AVIS, the Spade

and Trowel Garden Club, the Four Seasons Garden Club, the Andover Junior Garden Club, the Boy Scouts and the Botany Club at the high school.

More than 150 individuals participated in the survey, covering 140 miles on 410 town streets.

So far, Mrs. Edmonds says, they have counted 1252 elms along those roads. While all are not technically town trees, they are all roughly within 10 feet of the roadways.

While measuring the trees, the volunteers also made note of their health and looks. All of this information will be available at Town Hall.

In addition, the Andover Garden Club has chosen elm trees as its project for the coming year, taking up where the survey left off.

School Board Meets Tuesday

The Andover School Committee, whose meeting was cancelled this week because of the death of Committeeman George Olesen's father, will meet Tuesday, at 8:30 p.m., in Stowe School.

The weatherman could not have been more co-operative for the annual Andona Society presentation of Clown Town last Saturday at the Andover Playstead. Thousands jammed the park and enjoyed the festivities along with the presentation of "The Sorcerer's Apprentice," given by the Andover Community Theater. The actors and actresses not only performed, but mingled with the crowd throughout the day. Proceeds from the annual affair assist Andona in its work of providing for numerous Andover youth activities and scholarships for Andover High school graduates.

Andover's Town Seal

We tend to disagree with the decision by the majority of the selectmen who have refused to allow the town seal to be placed on a pewter plate to be sold by a local merchant.

Our reasoning is not based on support of the local businessman, necessarily, but more on the thought that denial prohibits the obtaining of something particular to Andover during this bicentennial period.

Austin E. Anderson, owner of the Andover Gift House, had asked permission of the board to use the seal on a pewter plate to be offered for general sale.

The selectmen, Monday night, with only Mrs. Janet Lake in favor of the request, felt that the seal should not be applied to a profit making venture.

Mrs. Lake had lent her support to the use of the seal by the bicentennial commission for use in coins and on a quilt. She likewise moved to allow Mr. Anderson to employ the seal. Selectman George E. Heseltine was absent at Monday's session.

Use of the seal is not an arbitrary license to employ its use in anything other than a creditable memento of Andover.

Such a plate would have historic value, more than likely be in the category of a collector's item. We assume that natives of the community, now residents in other parts of the country, would value such an item as a memoir of their personal lives in Andover.

Andover's seal is unique, in that it contains a story of its founding, through the Indian, the coat and 24 pounds, for which the area was purchased back in 1646.

But its uniqueness does not make it hallowed.

Frankly, if the Great Seal of the United States of America can be portrayed on all sorts of souvenir items, we can't understand why Andover's town seal can't be stamped on a valuable pewter plate.

We remain hopeful that the selectmen will reconsider.

Some Thoughts To Ponder

As we head for the first long weekend of the impending vacation season, we offer some thoughts to ponder thusly:

Memorial Day: Monday is a day set aside to pay tribute to the sacrifices of thousands who have insured our freedoms.

As late as a week ago, young Americans died to uphold the principles established 200 years ago. The Mayaguez incident becomes a part of the American legacy which insures that men are willing to sacrifice to continue to keep this country strong and free.

The fall of Saigon recently signalled for the first time in almost 40 years that there was no active armed combat somewhere in the world.

Throughout those four decades, American fighting men have sacrificed supremely and gallantly.

Monday, Memorial Day, provides that opportunity for us, the living, to pay tribute, to pause, and take note of the price for which freedom continues to be our heritage.

It is a most fitting opportunity to join in the services conducted by the community and veterans organizations to join in this tribute.

Safety: As mentioned previously, this is a long holiday weekend, the first of the long summer season.

Needless to say the highways and resort areas could be jammed.

With safety uppermost in the minds of holiday weekenders, the slight respite can prove to be enjoyable.

The Recycling Auction: Monday night the selectmen were presented a check for \$1,884, the proceeds from the annual town recycling auction held at Recreation Park.

The funds are the result of considerable dedicated

work mostly by members of Andover's League of Women Voters who have been the prime movers in the recycling activity.

For the better part of a year, the committee has been working on gathering of materials and working with students in providing repairs for items to be offered at auction.

Their efforts have been fruitful for the town and the auction itself provided a good time for all.

We applaud their efforts.

Blood Pressure Check: While in the process of tossing bouquets, we'll hand one to the Andover Board of Health and the Andover Visiting Nurses Association.

For the past few Fridays and continuing through the end of this month the nurses have been providing free blood pressure checks in the lobby of the Andover Savings Bank and at the Shawsheen Plaza, from noon to 3 p.m.

It is a valuable service being provided to those who have taken the opportunity to take the few moments to have this life saving check.

High blood pressure is a silent, serious health problem. Detected early through a check on a Friday afternoon can be a most rewarding and life saving experience.

Pvt. Stevens Journal Of The Revolution

In this section of Pvt. James Steven's Revolutionary Journal, the Andover soldier recounts experiences from the battle of Chelsea, so called, brought about by the rescue of livestock that had been seized by the British.

Tuesday Ye 23: This morning I was relieved from gard about tin a'clock and did nothing the rest of the day.

Down the Years with The Townsman

75 Years Ago - May, 1900

At the selectmen's meeting this week, a hearing was held on the request of the Lowell, Lawrence and Haverhill and Andover street railways to lay tracks on Elm street to the North Andover line and on High street and the "old railroad" line.

The mercury ran up to 95 degrees Tuesday afternoon, a blistering temperature for this time of year.

At the meeting of the school committee this week, all school teachers were reappointed for the coming year, but several vacancies were determined necessary to be filled.

The Andover Village Improvement Society has a quantity of seeds which have been sent to them by gardeners or private individuals. They would be glad to give them to local persons interested in growing flowers this summer.

The town clerk has entered 109 dog licenses on the books as of this week, a much better meeting of the laws by residents than a year ago when only 37 were registered.

50 Years Ago - May, 1925

Andover's population passed the 10,000 mark with the recent state census. The increase to 10,269 residents, marks a 25 per cent rise in population since the federal census of five years ago.

Professor Charles H. Forbes of Phillips Academy will preside at the annual Lincoln Spelling Bee to be held tonight in town hall. All having reserved seats must be at the hall prior to 7:25.

Burton S. Flagg is at Washington, D.C. this week attending the directors' meeting of the National Reinsurance bureau. He will also attend the annual meeting of the National Chamber of Commerce.

Mrs. Mitchell Johnson of School street gave a bridge party for 60 guests Wednesday afternoon at the North Andover Country Club. Lilacs and tulips were used in the decorations.

Alan R. Blackmer of Oak Park, Illinois, has accepted an offer to coach the Phillips Academy basketball team next year. He is a graduate of Williams College.

25 Years Ago - May, 1950
Rev. and Mrs. Elton Smith are guests of Mrs. Everett Lundgren of Elm street during their visit from Oregon. Rev. Mr. Smith is former pastor of Andover Baptist church.

Rev. Matthew F. McDonald celebrates Mass for 106 First Communicants at St. Augustine's church.

The selectmen have written to the two state senators and local congressman protesting a bill which would create rent control. The Liberty Bell was in town Friday as part of a nationwide tour of the country assisting in the Independence Savings Bond Drive.

Stanley Swanton was elected president of the Andover Service Club at the annual meeting this week. Harold Heseltine is first vice president; Edward A. Romeo, second vice president; James Mosher, secretary and Guy Howe, treasurer.

10 Years Ago - May, 1965

Donald E. Valle of Valle's Steak House, Portland, Maine, announces plans for a new restaurant and motel on Route 93 near River Road.

A spring trash pickup collection will be in operation next week by highway department crews.

James Murphy of the math department at the high school is elected president of the Andover Teachers Association succeeding Richard Neal.

James W. McLeod is elected president of the Merrimack Valley Chapter, National Association of Accountants.

What Our Readers Say-

To the Editor of the TOWNSMAN:

Frustration Breeds Illegal Dumps

Your article on "Illegal Dumps" hit close to home. I confess I was tempted to locate or establish one myself recently. As an alternative, I have a "Temporary Dump" in my yard.

It began when I trailered a load of brush and old plywood countertops to the Chandler Road dump three weeks ago and was informed that the brush could stay but the countertops could not. The present procedure, and one which is inadequate and inconvenient, is to call the town hall and get an appointment for truck pick-up of this sort of material at your home. My appointment is May 23rd.

For the past three weeks and for another week these rotting, nail ridden countertops remain adorning our residential home-site in my "Temporary Dump" killing the grass, presenting a safety hazard for children and curious pets and detracting from the landscape. Hopefully, when

Dependable Cleaning Service

May 23rd rolls around, my appointment will not be forgotten and the immediate problem will be removed. If not, I will obtain another date four or five weeks hence.

I have been trying to find a solution. Here's one idea. Place "truck-away" containers, such as used by industry, or even a semi-trailer like we once had for newspaper at the Chandler Road facility. All "unacceptables" for the Andover dump could be discarded in these. A maximum length of 6 or 8 feet could be established if necessary. When filled, the containers or trailer could be trucked away to the out-of-town location presently used.

Providing this type facility would eliminate many frustrations of Andover residents and, in turn, reduce "Illegal Dumps." The long wait presently necessary for home pick-up would be eliminated. It also seems fair to assume savings to the town through bulk disposal from one site rather than individual home appointments as well as a reduction in town supported labor.

To the Editor of the TOWNSMAN:

I would like to take this opportunity to commend two Andover Firemen, James Lynch and Jack Beanland, in their quick response to a recent emergency in my home. In a careless moment, I cut my hand seriously on a table saw. Upon my wife's request for ambulance assistance, they responded within minutes. The two firemen acted knowledgeably and decisively.

My family and I are most appreciative of their prompt, knowledgeable assistance. We would like to thank firemen

Lynch and Beanland for their fine service.

Letter To Dr. Francis Griggs

We are writing to you as parents of children in an IGE school who have weighed the IGE experience and found it wanting. We are painfully aware of the dismal testing results where our school's performance places it below national norms in mathematics and last in the school system in other tests. Whatever the purported social advantages, the academic per-

formance does not justify continuation of the program or institution in other schools.

The promises offered by the promoters of this concept have not been fulfilled. In the begin-

ning we did not have the opportunity to read the fine print on the IGE "information" brochures that are disseminated

Dressed For The Occasion

Ready for a trip to historic Concord and Lexington are these students and teachers at the Franklin School, North Andover. From left, Richard Queri, John Barrett, Mrs. Carolyn Cullen and Mrs. Jane Shelley, fifth grade teachers; John Cote, school librarian, Miss Barbara McGovern, fifth grade teacher and James Boyle.

Students Visit Concord

The fifth grade students of the Franklin School, North Andover went on a field trip to Lexington and Concord as part of the school's social studies Bicentennial Celebration. The students and teachers dressed in eighteenth century costume.

Visits were made to the Lex-

ington Green and the Old North Bridge in Concord as part of the itinerary. While viewing the statue of the Concord Minuteman, the students had an opportunity to meet Arcangelo Cascieri. Cascieri is the sculptor who recently made a casting of the statue to ensure its

perpetuation in case the original minuteman should be destroyed during bicentennial activities.

The students also had the opportunity to try their hand in the process of gravestone rubbing at the old burying ground in Lexington.

Obituaries...

WILLIAM J. CUNNINGHAM

William J. Cunningham, formerly of 523 Osgood St., North Andover, a gardener for the Stevens Estates and Rogers Estates for many years, died Thursday, May 15, at Stevens Hall Convalescent Home after a long illness. He was 82.

Her was born in Bambridge County, Ireland, Feb. 7, 1893, and came to North Andover in 1920. Mr. Cunningham attended St. Michael's Church and was a member of the Holy Name Society of that parish.

The widower of the former Bridget McCoy, he is survived by a daughter, Kathleen Mae, wife of Edward Forsythe of Bangor, Maine; three sons, John H. of Lawrence, James of Hallandale, Fla., and Robert, a member of the North Andover Fire Department, nine grandchildren and three great grandchildren.

A funeral Mass was offered Saturday at 9 a.m. in St. Michael's Church. Burial was in Holy Sepulchre Cemetery.

Memorial contributions may be made to the Northeast Chapter, Massachusetts Heart Association, 79 North Main St., Andover.

DORIS ENO

Mrs. Doris (Hart) Eno, 76, 17 Brookfield Road, Andover, a native and longtime resident of Lawrence, died May 14 at Hale Hospital in Haverhill after a long illness.

She had lived most of her life in Lawrence, resided in Bradford

for 20 years, and then moved to Andover 11 years ago. Mrs. Eno attended South Congregational Church of Lawrence, and was a member of the Steadfast Class of that parish.

The widow of John B. Eno, she is survived by a brother, Walter Hart of Hallandale, Fla., and several nieces and nephews.

Funeral services were Friday at 11 a.m. from the James H. Dewhurst Funeral Home, 17 Third St., North Andover. Cremation was in Linwood Cemetery, Haverhill.

Memorial contributions may be made to South Congregational Church of Lawrence.

GEORGE A. FLEMING

George A. Fleming, 48, 122 Autran Ave., North Andover, an engineer at Western Electric, died unexpectedly Saturday at Lawrence General Hospital. Dr. John T. Batal, medical examiner, said death was due to coronary thrombosis.

A native of Lawrence born Dec. 18, 1926, Mr. Fleming lived there until he moved to North Andover two years ago. He graduated from Central Catholic High School and attended Lowell Technological Institute. He served in the U.S. Navy during World War II and was a member of the Lawrence Disabled American Veterans, Queen City Chapter 2. Mr. Fleming was also a member

of the Telephone Pioneers of America, and was employed in the Merrimack Valley Works of Western Electric Company in North Andover. He attended St. Michael's Church.

What Our Readers Say

(Continued from Page 25)

by Merrimack Education Center and we have learned from that experience or rather the lack of it. Since then we have read the fine print while experiencing its effects on our children and we are now "educated" albeit regretfully.

This experience and education has raised a number of very serious questions in our minds about the validity of this concept and its promotion:

1-About the precision of evaluation of this concept and qualitative advantages proven by standardized testing

2-about how test results are compared and validated

3-about the precise knowledge of what IGE does and what it does not do vis-a-vis any other educational concept

4-about the advice from consultants where you find exactly what you are supposed to find

5-about the fact that decline in performance is attributed to poor management rather than the IGE concept itself

6-about the existence of disadvantages - which are not recorded in the most common "information" brochures

7-about a program with great dependency on parent volunteers and student assistants

8-about the effects of multiaging at the elementary level - where maturation in grades 3 & 4 is too extreme - and is of questionable value in the other grades

This concept has been in our schools since 1971 (for one school) and 1972 for another and the test scores have declined in many areas, but more importantly our children have been part of this experiment since '71 and '72.

We are aware of alternatives in education in Andover and are painfully aware of what the accident - of - residence means when these innovative concepts are imposed on our locale with no recourse available to families who take serious exception to the involvement of their children - based, on their informed judgement.

We find ourselves locked into both open architecture and a variation of open education and all that imposes, topped by IGE and all that imposes. Thus we find we do not have a single system in Andover but rather a system of systems which by definition should offer choices. However, we are arbitrarily condemned to an IGE school and open education whether we like it or not.

Although our school administration suggests that a variety of educational alternatives are available through the high, medium or low structure programs, none of these offers the student or parent an authentic traditional alternative. The alternatives all remain within the open concept and progressive philosophy.

Surely you realize that authentic options are not only necessary but obligatory at this time which is "late-in-the-day" for our children who do not have more time to lose while the administration determines how best to alter the experiments each year. The patching and makeshift alterations that are continually applied to buttress the sagging performance of these programs is wasteful in teaching resources and our children's valuable time.

Our day-to-day experience over three years has led to serious concern for our children's academic welfare and future and we implore you to establish a

true alternative now. The only one not presently operational in any school is an authentic traditional or fundamental school concept. Much factual information is already available for the establishment of such a school which makes it expedient to set one up in a short time. Considering the short time it took to establish the high, medium and low structures, it is within reason to expect one could be established by September if there is a real desire on the part of the committee to answer the many requests for this approach.

You know what is expected, however guidelines are attached for your review. Considering that our educational system has been in a state of flux since 1970 because of the new programs and their subsequent alterations, - and that we have lived with the implementation pains of these programs, as well as the problems encountered during

renovations, - we can and will tolerate the adjustments necessary to institute the traditional school alternative.

We ask you to spare us the further agony of Merrimack Education Center justifying the existence of this program now being promoted through the teachers' colleges using our tax dollars, and spare us the administration's or committee members' rationalizing its existence through quotes from other parents. We fully realize some may approve of it. Patrick Henry's words exemplify our position:

"I have but one lamp by which my feet are guided, and that is

SAVE TWICE. WE CAN TELL YOU HOW. AND WE CAN HELP YOU.

In its own way Save Twice is a breakthrough in banking. A way to save more, right now, when it's tough to save anything.

It's an eight page tabloid filled with ways to save money in the supermarket, in the kitchen, on kid's clothes, etc. An eight page tabloid that you can get free at any of our six offices.

But, it doesn't end there. It's a 1% rebate on a Home Improvement Loan or a New Car Loan right now when you need it. With your 1% rebate going into a new or existing Savings Account. So you save on the loan and save what you save.

It's a free Safe Deposit box, standard 2" x 5" size, for one full year when you open any Term Deposit Account. So you're not only saving money, you're saving your valuable papers safer at the same time.

Or it's a free one year's subscription to a leading magazine.

Just open any Term Deposit Account or a new \$100 Savings Account or add \$100 to your present account (NOW Accounts excluded).

And it's a lot of free services.

Like free Notary Service for all of our customers.

Free automatic transfer from your Checking Account to your Savings Account.

Free transfer of funds from your Savings Account to pay your mortgage, your loan payments, etc.

When you add it all up, it's big savings.

But, then, we're the biggest savings bank in the Merrimack Valley.

Bob Says:

These days the Government always seems to look for someone to pick on. And when they run out of foreign countries and tax payers they'd just as soon hassle some corporation that's really successful. It's almost as though they couldn't see that successful businesses create jobs and strength and the wealth that the government tries so hard to give away - often to the same countries they just finished picking on. Does that make sense? One of their recent targets has been the Xerox corporation, the worlds richest copy company. The FTC forced Xerox to sell its patent rights because they were 'too' successful. Well competition for Xerox isn't going to spring into being because the Feds want it to; it's going to come from other companies, who want to be just as rich as Xerox, trying to find better ways to make copies.

Minolta Camera has come up with one better way and it's called the Electrographic 101. We're proud to represent Minolta in this area and we'll have the Electrographic 101 soon. It's a far better and less expensive way to make copies for those of you businessmen who want to have the "Xerox quality but not the Xerox bills." If the Electrographic 101 sounds like what your office is looking for, call us for more information. We like to solve copy problems.

Sorority Installs Officers

Andover Xi Sigma Chapter of Beta Sigma Phi held its installation of officers recently at the home of Mrs. John Murphy with Mrs. Frank Raymond, president, conducting the candlelight ceremony.

The following officers were installed for the coming year: Mrs. Anthony Foresta, president; Mrs. Richard White, vice president; Mrs. Walter Selfridge, recording secretary; Mrs. Donald Kramer, corresponding secretary; and Mrs. Sylvia

Conrad, treasurer.

Plans were presented for the annual hot dog and bean supper to be held during the sidewalk bazaar days in town. Mrs. Anthony Foresta announced the committee assignments for the coming year and a social hour was enjoyed.

Beta Sigma Phi is an international organization with all of its functions centered around cultural, social, and service activities within the community.

Received Degrees At Simmons

Two Andover residents received bachelor's degrees at the 70th commencement exercises of Simmons College on Sunday, May 18, in John B. Hynes Auditorium, Boston.

Anthropologist Margaret Mead delivered the commencement address. Annmarie Babicki Levine, daughter of Mrs. Gertrude Wristen of 24 County Road, received the bachelor of arts degree. A graduate of Andover High School, Miss Levine majored in English at Simmons.

Kara H.V. Kvilekval, daughter of Mr. and Mrs. Axel Kvilekval of 230 Andover St., received the bachelor of arts degree with distinction. A graduate of Brookline High School, Miss Kvilekval majored in philosophy at Simmons. She is a member of Academy, the Simmons honor society, and received the Agora Award in Philosophy.

They were among 387 graduating seniors to be awarded bachelor's degrees at Simmons. In addition, master's degrees were awarded to 231 graduate students. The Doctor of Arts degree in library science was awarded for the first time in the College's history.

To Conduct Family Camp

The Andover-North Andover YMCA has completed arrangements with the Camping Services Dept. of the Greater Lawrence YMCA to conduct a Family Camp during the week of August 23-30 at Camp Nokomis in Lake Winnepesaukee, N.H. The Camp will be primarily intended to serve members of the local YMCA with others accepted if openings exist. Registrations are presently being accepted at the new YMCA building, 165 Haverhill St., Andover.

Camp Nokomis is the resident girls' camp of the Greater Lawrence YMCA and the full

facilities of the camp will be available to the Andover-North Andover group.

Individual cabins will be assigned to families for this post-season camping experience. Some organized programs will be conducted on an optional basis. Activities will be those usual in a camp situation including: swimming, small craft, fishing, tennis, softball, crafts. Meals will be served in the camp dining hall and some care of younger children will enable mothers to relax and enjoy a vacation in this spot known for its beauty.

Mrs. Malcolm D. Bliss

Bliss - Harrison

Nancy Jean Harrison and Malcolm Donald Bliss, both of New York City, were married Saturday in a 2 o'clock service at Cochran Chapel, Phillips Academy.

The bride is the daughter of Mr. and Mrs. Fred H. Harrison of South Main Street, Phillips Academy, and her husband is the son of Dr. and Mrs. Roger C. Bliss, Rhinebeck, N.Y.

The Rev. George E. Andrews, II, officiated at the 2 o'clock service, and a reception followed at the Log Cabin, also at Phillips Academy.

Given in marriage by her father, the new Mrs. Bliss wore her mother's gown of ivory satin, with a scalloped neckline and full train. Her veil of ivory tulle fell from a headpiece of braided satin tulle.

She carried one long-stemmed white rose with babies' breath and ivy.

Mrs. Richard E. Fleming, Jr. of New York City attended her sister as matron of honor, wearing a halter-style gown in a pine

green and white Hawaiian print. She also carried one longstemmed white rose with babies' breath and ivy.

Wearing identical dresses were the bridesmaids, the Misses Elizabeth A. Harrison of Andover, another sister of the bride; Jeri A. Bellew of Rye, N.Y.; Rita A. Brown of New York City and Amy W. Bernardin of Andover.

Jennifer C. Bliss of Kent Cliffs, N.Y., a niece of the bridegroom, was junior bridesmaid and her sister, Anne S. Bliss, was flower girl.

David R. Bliss of Kent Cliffs, N.Y., served as his brother's best man, and ushers were Donald T. Andrew of Port Chester, N.Y.; Georges L. Charest of Peekskill, N.Y.; Peter Ford of Atlantic Highlands, N.J.; and Damir Lazaric of Binghamton, N.Y.

Mrs. Harrison chose a green and turquoise knit jacket dress for her daughter's wedding, while the groom's mother wore a pastel-colored spring ensemble.

The new Mrs. Bliss attended

Maria and Allen Bonde of the Mount Holyoke College Music Department will present an evening of music, Friday, May 23, to cap the year's social activities for the North Shore Mount Holyoke Club.

Mr. and Mrs. Bonde will play piano four hands Schubert's "Fantasy in F" and Dvorak's "Dances." Allen Bonde will perform some of his own com-

positions, which have been heard on educational and commercial radio and television in this country and abroad. The program will be highlighted by an informal discussion of the works.

Refreshments will be served at 7:30 p.m. at the home of Mr. and Mrs. George H. Seal, 385 Ocean Avenue, Marblehead Neck. Husbands and guests are most cordially welcome to the evening's program.

The North Shore Mount Holyoke Club has numerous

members in the Andover, North Andover area.

Carolyn J. Reynolds of Andover is president and Judith A. Seal of North Andover is in charge of publicity.

Miss Harris Graduates With Honors

An Andover resident was among 41 students graduated with honors by Elizabethtown College at commencement exercises recently.

She is Miss Gwen M. Harris, who received a B.S. in mathematics, magna cum laude. She is the daughter of Mr. and Mrs. Lester Harris.

The College graduated 226 seniors and presented honorary degrees to famed artist Jamie Wyeth and Mrs. Anna B. Mow, a missionary, teacher and writer.

Officers Installed

The Beta Mu Chapter of Beta Sigma Phi Sorority held their annual installation of officers Tuesday, May 13 at the home of Mrs. Gail Schultz, 103 Lowell St., Andover.

Officers for the coming year are: Mrs. Sandra Deloury, president; Mrs. Gail Schultz, vice-president; Mrs. Judy Graves, recording secretary; Mrs. Pat Daley, corresponding secretary; and Mrs. Sandra Tomko, treasurer.

the Mary C. Wheeler School in Providence, R.I., the Pingree School in South Hamilton, and Centenary College for Women in Hackettstown, N.J. She was a member of Phi Theta Kappa, national junior college honor society, and is now a member of the management training program of J.C. Penney Co., New York City.

Her husband attended the Hoosac School in Hoosick, N.Y., and Hobart College, Geneva, N.Y. He was a member of Theta Delta Chi fraternity, and is now chief packaging engineer for J.C. Penney Co., New York.

Following a wedding trip to Bermuda, the couple will be at home at 430 West 34th Street, New York City.

Miss Naroian Is Betrothed

Barbara Lee Naroian

Mr. and Mrs. Ira Naroian of Whitinsville, Mass., have announced the engagement of their daughter, Barbara Lee, to Jeffrey E. Schirner, also of Whitinsville. The prospective groom is the son of Mr. and Mrs. Emil G. Schirner, Jr. formerly of Andover.

The couple will be married

June 22 in the Village Congregational Church, Whitinsville.

The bride-to-be graduated from Northbridge High School and Worcester State College, where she was a Dean's list student, majoring in elementary education and minoring in art. She is a teacher in the area schools.

Her fiancé, a graduate of Andover High, also graduated from Worcester State College, where he majored in business administration and accounting. He is a bank auditor for George A. Smith and Co.

What Our Readers Say

(Continued from Page 27)

the lamp of experience. I know of no way of judging of the future but by the past."

Although we have been disenfranchised in the educational process, we have remained a part of the consuming public, paying our taxes to support other alternatives. We also serve - who wait and wait and wait - for our concerns to be honestly and forthrightly represented. We have patiently worked for what we believe in and which is substantiated by solid evidence - that the traditional of fundamental approach is academically successful. Our children should not have to wait any longer.

Ask yourself if it is justifiable to force concerned parents to take the only option available - private school. Are our options to be more exhaustive work with our children at home (for which the schools take credit), continuous change at the polls in hope of an honest solution (which only lasts until the next election), or extreme austerity at home to afford the unaffordable - private school?

We now have several private school concepts within our public schools. Certainly, the time has come for the establishment of the first proven public school concept in an equitable setting for the town of Andover.

The time has come to end the discrimination against those families who find themselves locked into an educational alternative imposed on their school after they established residence. Please offer the town an authentic alternative.

John L. Howard, Jr.
 16 Bowdoin Road
 Andover

P.S.: The writers of this letter intended to address the IGE con-

cept and a traditional school alternative.

They never intended, as can be seen by a careful reading of the letter, to address any personalities, including school principals.

The letter was intended for the Chairman of the Andover School Committee.

Confidentiality of the signatures was requested to protect the interests of the children in the families of the signers.

John L. Howard, Jr.
 16 Bowdoin Road
 Andover

Editor's Note: The above letter was presented to the school committee with signatures withheld. Requests to have it published were made to the TOWNSMAN office by anonymous telephone callers. Maintaining our policy, the letter to Dr. Griggs is published this week only after at least one signature was attached and agreed to publication.

Fire's victims are children about 30 percent of the time; some 3,570 youngsters through age 15 perish from fire each year.

Chapin In Recital Friday

Alto saxophonist/flutist Thomas Chapin will present a program of classical, contemporary, and jazz at Kemper Auditorium on Friday, May 23rd at 7 p.m. Kemper Auditorium is in the Arts and Communications Center, opposite the Andover Inn on Chapel Avenue.

Thomas, son of Mr. and Mrs. Edward Chapin of Manchester, Connecticut, has attended Phillips Academy for four years and will graduate on June 6th. Currently a student with James Harwood and Virginia Leguia, he performs in the Phillips Academy band, chamber music, and various jazz ensembles, as well as with outside organizations such as the Massachusetts Youth Wind Ensemble under the direction of Frank Battisti of the New England Conservatory. Thomas plans to attend the University of Miami School of Music next year, as a saxophone major.

An informal jazz session will follow this recital. The public is cordially invited to attend and there is no charge for admission.

New Member

Boston's Museum of Science announces that Gilmore Leather Products, Inc., Andover, has become a new Business member.

The local firm is among more than 300 in New England that support the Museum as a means of participating in cultural and educational activities of the com-

munity. One of the privileges of membership are free passes that can be distributed to employees and their families. Some 50,000 such passes have been made available in the past year to acquaint newcomers to the area with Museum resources and to provide others with a family recreation facility.

New Co-Op Owners

(Continued from Page One)

John is in charge of the meat and the deli departments and says that while meat will continue to be self-service, there

will always be someone there to take care of special cuts. They will be coming in with some new deli products by next week, he says.

While they feel the grocery prices are competitive now, they plan to be "very competitive" in all departments, with other stores in the area.

The sale agreement also includes the building at 68 Main, which houses the store, and which the Barcelos plan to renovate for rental purposes.

The Barcelos brothers came to the U. S. with their parents 13 years ago, after a volcano destroyed much of the small island of Faial in the Azores, where they lived. President Kennedy provided visas for people on the island, and their father, Jose, felt there were more opportunities for his four sons in America.

George, the fourth son, is a student, and will be managing the Lawrence store with their father, while the other three concentrate on the Andover concern.

The elder Barcelos had been in the wholesale business in Portugal for 37 years, and his sons had helped out him out there.

When the Lawrence store became available seven years ago, they "took a shot at it."

Today, Carlos says, he's will-

ing to bet there's not a store in the country that does a bigger volume, per square foot. They've expanded twice and feel that if there were more room to expand, they could use it too.

The family was getting bigger, Carlos says, and they want to stick together. So when the Andover situation came along, they felt it was the proper thing to do.

Whether another generation of Barcelos will get into the business remains to be seen. Carlos, who lives in Methuen, has three sons, and one daughter, the oldest, age seven. Joe, also in Methuen has two girls and John, in Salem, N. H., has one girl. George lives above the Lawrence store with his parents, is still single.

ficially received the designation, and as such will be eligible for federal and state funding of special projects.

Following the parade and services on Monday, the flag ceremony will begin at 10:45 a.m. in front of the Town House.

The Call to Colors will be by the Andover High School band,

followed by the Posting of Colors by the 39th Engineer Battalion, Fort Devens. The high school choir will sing, This Is My Country, following which Mrs. Gammon will introduce Congressman Tsongas, who will officially present the flags.

The selectmen and town manager will participate in the raising of the flag on the staff in front of the Town House, to be followed by the playing of the National Anthem by the high school band.

Mrs. Gammon will then introduce Dr. Francis Griggs, chairman of the school committee for the presentation of the Bicentennial flags to Dr. Kenneth R. Seifert, superintendent of schools and to representatives of the various public schools in town.

Lyons Is Honored By Trade Board

Town Clerk John J. Lyons was presented the third annual award for "The Outstanding Civic Leader of the Year Award for 1975" by the North Andover Board of Trade, Saturday, at the Board of Trade's annual dinner dance, held at Camelot.

Former recipients of the award have been Mrs. Eleanor Cahill, Advisory Board Chairman, and Town Assessor, Edward Phelan.

Newly elected officers of the Board of Trade are, president, David Trombly; first vice president, John Lyons; second vice president, Daniel Forgetta; secretary - treasurer, Alex Tullis and chairman of the executive committee, Dr. William Patterson.

Benjamin Franklin will be the subject of a wide-ranging exhibition April 17 through September 22 at Harvard University's Fogg Art Museum. The display includes a large collection of Franklin memorabilia - books, documents, early scientific instruments, paintings and sculptures. The Franklin exhibit is the first of three bicentennial exhibitions at the Fogg Museum. "Harvard honors Lafayette," (Dec. 3, 1975 - March 12, 1976), and "Harvard Divided" (June 3 - October 10, 1976), are the other exhibitions.

Michelin ZX

You want a tire that's built to last—the same as your car. We recommend the Michelin ZX. Its steel-belted radial construction provides stabilized tread distribution so the tread wears evenly and lasts thousands of miles longer than on conventional bias ply tires.

The Michelin ZX also gives you powerful road grip, precise steering control and all weather performance and dependability.

Stop in soon and get a set installed.

Axelrod Appoints Manager

Hy Eisenberg, whose hotel career covers nearly two decades and includes managing hotels throughout the United States, has been named General Manager of the 150-room Sheraton Inn under construction at the intersection of Routes I-495 and 111.

Harry Axelrod, owner and developer, said the two-story Sheraton, which will have the largest meeting facilities in the area as well as a domed garden courtyard, is scheduled to open early this summer.

Eisenberg graduated from City College of New York (now City University of New York) and did graduate work at Louisiana State University. After working at hotels and restaurants throughout Louisiana and Mississippi, he was named General Manager of the Sheraton Motor Inn in Richmond, Va. in 1964.

In 1969, he became general manager of the Sheraton Motor Inn in Bloomington, Minn., adjacent to the Metropolitan Sports Complex and Minneapolis International Airport. Two years later, he operated his own management company, Mark Hotels and developed two Sheraton franchises in Europe.

"We're fortunate to have someone with Hy's experience," said Axelrod, who also owns the Sheraton Rolling Green Motor Inn at the junction of routes I-93 and 133 in Andover. "He has a wealth of experience, in both developing and operating inns, and with the growth which we foresee for the Boxborough area, he's the right man in the right place."

Eisenberg lives in Andover with his wife, Norma, and four children.

The Sheraton Inn of Boxborough will feature an enclosed tropical courtyard with a sliding roof that can open in summer. There will also be a swimming pool, two indoor tennis courts and banquet or meeting space for 400.

Gets Degree

Carol R. Christopher, daughter of Mr. and Mrs. James Christopher, 16 Birch Road, Andover, was one of more than 300 students who received an associate degree as a member of the Dean Junior College, class of 1975.

Now in its 110th year as an academic institution, Dean Junior College is one of the largest, fully-accredited, residential, coeducational, two-year colleges in New England, with majors in 27 areas.

Memorial Day Services Set

Andover's traditional Memorial Day tribute will be held Monday with services at all town cemeteries and the parade and main service to be held at Memorial Auditorium.

Congressman Paul Tsongas will be the principal speaker at the main service, scheduled for 10 a.m. at the auditorium. The congressman will also participate in the presentation of the Bicentennial Flag to the town following the Memorial Day services. (See separate story).

The four division parade will form at Florence and Elm streets at 9 a.m. and step off promptly at 9:30 following a route down Elm street to Main street, to Chestnut street, to Whittier street, south on Whittier to the auditorium.

Benjamin M. Brown, commander of Post 8, American Legion, will be the master of ceremonies for the services and Rev. Edward G. Robinson, OSA, pastor of St. Augustine's church will give the opening prayer.

State Rep. Gerald Cohen will deliver the eulogy and Miss Laura Need, of the Girl Scouts will give the recitation of "In Flanders Field."

Following a hymn played by the Edward Grigoli band, Robert Lenk, of the Boy Scouts,

will deliver the "Gettysburg Address."

Selectman Edmund J. Sullivan, Jr., will introduce Congressman Tsongas.

Following the placing of wreaths by Commanders Brown and John O'Connor of Post 2128, Veterans of Foreign Wars, benediction will be given by Rev. Randolph Becker, minister of the Unitarian-Universalist church. Taps will be sounded by Mark Grigoli and the echo given by James Galbiati.

Following the services, the parade will reform and proceed on Bartlet street to Wheeler Avenue north on Main street to Park street and will disband in the vicinity of Park and Bartlet streets.

Prior to the parade, Veterans groups will participate in Memorial services at the town ceremonies.

Services scheduled at Spring Grove cemetery include one at 7:30 a.m. at the American Legion monument, and one at 7:50 a.m. at the G.A.R. monument. A service will be held at 8:15 a.m. at South Church cemetery. These services will be conducted by American Legion Post 8.

Veterans of Foreign Wars Post 2128 will conduct service at West Parish and St.

Augustine's cemetery at 7 a.m. and 7:45 a.m. respectively.

The combined veterans groups will conduct a service at 8:30 a.m. at Memorial Hall library.

North Andover

Commander William Iminski of North Andover Post 2104, Veterans of Foreign Wars and Commander Edward Bardsley of Post 219, American Legion extend an invitation to all Veterans of North Andover, male and females, to join with them in North Andover Memorial Day Observance to be held on Monday, May 26.

The observance will open with a parade forming at the North Andover Middle School on Monday, May 26, at 9:30 a.m., and proceed to Ridgewood Cemetery at the Veterans Lot for exercises, returning to the V.F.W. home for dismissal. In the event of inclement weather, the exercises will be held in the Veteran's Auditorium of the North Andover Middle School at 10 a.m. All Boy-Girl-Cub Scouts welcome.

Town Clerk John J. Lyons, will open the memorial day program. The Invocation will be given by Rev. David Blanchard, pastor of North Parish Unitarian Church. The Lincoln's Gettysburg Address will be read by Stephen Choojian, a senior at North Andover High School.

Dr. Walter Muir Whitehill, Esq., will be the Orator of the Day. Dr. Whitehill is a noted Historian and poet, former Director and Librarian of the Boston Atheneum, a U. S. Navy Historian in WWII. He is

known as the Boston Historian having written several books about that community. He is nationally known as the historian of historical societies in the United States. A resident of North Andover the past thirty years.

Musical selections will be played by the North Andover High School and Middle School Band.

Benediction will be given by Rev. Father Stephen B. Rock, Lieut. Chaplain U.S.N.R.

The Salute to the Honored Dead will be performed by Post 2104 V.F.W., under the direction of Capt. William Deyermund.

The Massachusetts State House on Beacon Hill, Boston, is now open weekends and holidays and State House tours are available for the public to celebrate and participate in the Bicentennial.

Is Semi-Finalist As Presidential Scholar

Susan K. Lambiris

Susan Lambiris, daughter of Mr. and Mrs. Sotiris Lambiris, 15 Shipman Road, Andover has been named a semi-finalist in the 1975 Presidential Scholars Program, which honors those students chosen as the nation's most distinguished secondary school graduates each year.

The Presidential Scholars, who will be chosen from among the semi-finalists, by mid-June, will be honored by various dignitaries, scholars and - most notably - the President of

the United States, who will present them with commemorative medallions. Meetings with senators and congressmen, Supreme Court Justices, scientists, educators and artists are planned and a reception at the State Department, discussions at the Folger Shakespeare Library and a luncheon at the Capitol will be on the Presidential Scholars' agenda.

Susan, a former Abbot Academy student, is one of 500 semi-finalists from whom the 121 Presidential Scholars will be chosen. At Phillips Academy, she was elected to the Cum Laude Society in February and has won the English Department's Sumner R. Kates Prize and the Goodhue Prize Examination in English. She sings in the Chorus and is a member of the Pre-Medical Club.

The Presidential Scholars Program was initiated by President Johnson who said the purpose was "To recognize the most precious resource of the United States - the brain power of its young people - to encourage the pursuit of intellectual attainment among all of our youth."
